Request for Expression of Interest

Light Drilling Rig for operations in Austria

OMV AG (the "Company") is interested in concluding a contract for the scope of work: **Light Drilling Rig for operations in Austria.**

Description of the scope of work:

Place of performance: Austria.

Contract duration: maximum 5 years;

Planned drilling activities:

- Initial scope consists of 5 shallow wells with a depth varying between 1000 and 2000 m, to be drilled in sequence starting in June 2026 (estimated quantity: ~120 Rig operating days) ;
- Further plans are to drill another 5 wells in 2027 (estimated quantity: ~120 Rig operating days);
- Additional years: in average, ~120 Rig operating days per calendar year, depending on OMV's approved drilling program;
- Type of application: oil & gas, geothermal etc.

Rig technical specification requirements: please refer to **Attachment 1**.

Interested companies are invited to submit their Expression of Interest per email, at mihaela.ganea@omv.com, not later than **12 August 2025, 16.00 CEST**, using the template provided in **Attachment 2**.

All suppliers that submitted Expression of Interest will be invited to register in OMV's suppliers' database on SAP ARIBA digital platform (unless already registered). Following registration, the suppliers shall further be invited to undergo the supplier qualification process in OMV's suppliers' database in ARIBA for material group "1WSDSDRON - Drilling Rig onshore" (as per OMV's spend category classification), unless already available.

Only suppliers that registered and successfully passed the qualification process in OMV's suppliers' database, as described above, shall be considered eligible for the tender process. OMV reserves the right to limit the number of suppliers receiving an invitation to bid based on the following selection criteria: 1) compliance with the Rig technical specification requirements and 2) Rig availability.

Any requests of clarification regarding the present Request for Expression of Interest shall be addressed to: Mihaela Ganea, Senior Procurement Expert

Corporate Procurement of OMV Group
